

# CLARENCE CITY COUNCIL ACCESS AND INCLUSION PLAN 2021-2025

## WHAT DID PEOPLE SAY?

Council talked to people with a disability, families, carers, and organisations. People said these three (3) areas were the most important for council to do:

### LEAD

Keep getting better.  
Keep talking with the community.  
Keep connecting with support organisations.

## WHAT WILL WE DO?

Over the next five (5) years council will keep working together with people who have a disability, families, carers, and organisations to:

### CREATE

Make information and events inclusive and accessible.  
Make access to services and programs better.  
Make access to arts and events better.

- ✓ Change how we talk about disability.
- ✓ Make people more aware.
- ✓ Include access and inclusion in all that council does.
- ✓ Create better places to live.

### DEVELOP

Keep getting better.  
Keep talking with the community.  
Keep connecting with support organisations.

- ✓ Make it easier to get the information you need.
- ✓ Create better ways to get involved in events and activities.
- ✓ Work with others to help promote and develop programs.
- ✓ Celebrate people with disability in our community.
- ✓ Work on making places you use easier to get to and in.
- ✓ Make it easier to get on a beach.
- ✓ Help to make getting around easier.
- ✓ Create play spaces that include everyone.
